Containty a Cosmontonia Witness.

Lawyers are proverbial for the many styles in which they can put the same quostion to an unfortunate witness. They also have a castiron regulation for asking a myraid of quastions that have no earthly bearing upon "the cause now in hearing." On the lawyers a continuous charles of the same of the cause now in hearing. The law is the country appeared a Tartar. He had no sooner been severn into the witness—har to tell the truth, whatever, that might be, and nothing bit the truth, excepting when the lawyers asked him something, when he took time by the top-knot and began: "Yes, sit; my name is Cuscluser and began: "Yes, sit; my name is Cuscluser and the third day and seventh hour of heat month. I know the lawyer are of an oath. I know that I would "do time" if I swerved a bit and got caught. I know the defendant and the complainment; I have known them a long time; the defendant is a list, a horse-thief, and a traiter to his country. The complainment is a ditto, at least I expect to have some owners also on a least I expect to have some
